Re: Case #2016-3880: 431 Adams St.– *King William District*
Certificate of Appropriateness – Remove and Replace Garage with New Garage and Two Story
Apartment.

Dear HDRC Commissioners,

The King William Association Architectural Advisory Committee met to review the project and concurs with the OHP staff conditional recommendation for approval. We encourage the applicant to replace the chain link fence with a new fence that is in keeping with the character of the neighborhood. If the chain link is not replaced, we recommend that vines be planted to conceal it.

Best Regards,

Mickey Conrad
Chair, Architectural Advisory Committee
