Re: Case #2016-3850: 1150 S. Alamo St. – *King William Historic District*
Certificate of Appropriateness - Signage

Dear HDRC Commissioners,

The King William Association Architectural Advisory Committee met to review the project and concurs with the OHP staff recommendations for conditional approval. We too suggest that the applicant use a darker background and lighter text to better compliment the color of materials on the historic structure.

Best Regards,

Mickey Conrad
Chair, Architectural Advisory Committee
