Re: Case #2016-4068: 630 E. Guenther St.– *King William District*  
Certificate of Appropriateness –New Front Yard Fence

Dear HDRC Commissioners,

The King William Association Architectural Advisory Committee met to review the project and concurs with the OHP staff recommendation for approval with the condition that the top rail of the fence be removed and a proposed design for the picket be submitted to OHP staff.

Best Regards,

Mickey Conrad  
Chair, Architectural Advisory Committee
