Re: Case #2015-4326 521 Madison – *King William Historic District*
Certificate of Appropriateness

Dear HDRC Commissioners,

The King William Association Architectural Advisory Committee met to review the project and concurs with the OHP staff recommendation for approval of items 1 thru 4. Since the rear portion of the house in question was reconstructed just prior to 2008 with non-historic siding materials, the AAC sees no reason to withhold approval to enclose the balcony as proposed (item 4).

Best Regards,

Mickey Conrad, AIA
Chair, Architectural Advisory Committee
